China, located in east Asia, was thought to be populated by humans somewhere between 30,000 and 50,000 years ago. The earliest piece of pottery was found in a cave, dating back some 18,000 years, which is the oldest pottery ever found. The story of Chinese New Year (Xin Nian) is one of the Chinese legends that is heard around the world. A long, long time ago there was a monster named Nian who visited a small village in China each year to scare everyone he saw. On the day the monster was to appear, the villagers took to the mountains. The First Emperor's Clay Army. In the spring of 1974, some villagers in central China needed a new well. The well diggers' muscles ached as they dug deeper and deeper into the reddish soil, looking for water. At twelve feet down they hit something—but not water. It was a head! Not ...China Comprehension Story.
