Delegation strategies for the NCLEX, Prioritization for the NCLEX, Infection Control for the NCLEX, FREE resources for the NCLEX, FREE NCLEX Quizzes for the NCLEX, FREE NCLEX exams for the NCLEX, Failed the NCLEX - Help is here
The yellow exclamation point/sign inside the triangle indicates that you should check all your fluid levels. Everything that needs fluid might be in critical level and your car is trying to warn you not to start the engine or drive not unless you have already fixed the problem. The most common fluid problem is the brake fluid level is too low.
