The Economic History Review, 64: 1053–1054. doi: 10.1111/j.1468-0289.2010.00597\_22.x Author Information The discovery of the New World was initially a cause for celebration, but the vast amounts of gold that Christopher Columbus and other explorers claimed from these lands altered Spanish society. The influx of such wealth contributed to the expansion of the Spanish empire, but it also raised doubts and insecurities about the meaning and function of money, the ideals of court and civility, and ...
